DEPARTMENT OF EDUCATION, MAJLIS COLLEGE

Launching Edition

PEDASCOPE

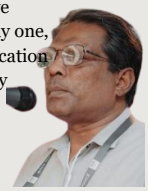

January, 2026

"Though the journey to ITEP recognition was not easy, it opened a new door for Majlis to nurture quality teachers and socially productive individuals."
– C. P. Hamza

MAJLIS COLLEGE PIONEERS ITEP UNDER NEP 2020

Majlis Arts and Science College (Autonomous) inaugurated the Integrated Teacher Education Programme (ITEP) on September 15, 2025, in line with NEP 2020, integrating general education with professional teacher training. The programme was inaugurated by Jb. K.S.A. Thangal, President of the college, and presided over by Dr. Mohammed Kutty Kakkakunnan, Principal. Dr. Naseerali M.K., Head, Department of Education, delivered the welcome address, while Jb. Saleem Kuruvambalam presented the keynote address highlighting teachers' social responsibility. Speeches addressed AI-driven classroom challenges and the relevance of ITEP under NEP 2020. C.P. Hamza noted that Majlis is the first college recognised by NCTE for ITEP, marking it as a forerunner in educational reforms. The programme concluded with a vote of thanks by Dr. Jayaram, Head, Department of English.

"The presence of prospective teachers will be felt from day one, and the Department of Education will be torchbearers of many college activities."
— Dr. Mohammed Kutty Kakkakunnan Principal

GLOBAL EDUCATORS CONVERGE TO REDEFINE LEARNING SPACES

Dr. Achuthsankar S. Nair, Former Director, C-DIT Inaugurating the International Seminar at University of Calicut

With over 150 quality research papers presented across online and offline sessions, the seminar fostered rich academic exchange. Selected papers will be published in peer-reviewed journals and edited volumes, marking the seminar as a significant contribution to contemporary educational research and practice.

An International Seminar on Modern Learning Environments, jointly organised by the Department of Education, University of Calicut, M.I. Training College, Ponnani, and the Department of Education, Majlis Arts and Science College (Autonomous), was successfully held from 11 to 13 November 2025. The three-day academic event brought together educators, researchers, and practitioners from India and abroad to deliberate on emerging trends, research insights, and innovative practices shaping contemporary education.

Conducted in a hybrid mode, the seminar began with fully offline sessions on 11 November at the EMS Seminar Complex, University of Calicut, followed by online sessions on 12 and 13 November via Google Meet, ensuring wide participation across geographical boundaries.

The seminar was inaugurated by Dr. Achuthsankar S. Nair, Former Director, C-DIT, who highlighted the importance of technologically adaptive learning cultures. The Presidential Address by Prof. (Dr.) A. Hameed, Head, Department of Education, University of Calicut, emphasised flexible and learner-centric educational spaces. The Keynote Address by Dr. Roshan Bijlee K.N., Director, CRC Kozhikode, focused on accessibility and universal design in learning environments.

The inaugural session featured a welcome address by Dr. Naseerali M.K., Seminar Coordinator and Head, Department of Education, Majlis Arts and Science College (Autonomous). Felicitations were offered by Prof. (Dr.) K. Abdul Gafoor, Dean, Faculty of Education, University of Calicut, and Dr. Mohammed Kutty Kakkakkunnan, Principal, Majlis Arts and Science College (Autonomous). Dr. Noufal P., Principal, M.I. TC, Ponnani delivered vote of thanks. The invited session by Sri. K.E.N. Kunhammed offered critical insights into prevailing educational practices, while international speaker Dr. Dennebo Mekuria discussed challenges and prospects in Technical and Vocational Education and Training.

ITEP Students Showcase Talent at Talents Day Celebration

Majlis Arts and Science College organised Talents Day as a vibrant platform to recognise and encourage the creative abilities of its ITEP students. The programme was exclusively conducted for ITEP students, providing them with an opportunity to bring their hidden talents to the forefront.The event featured a variety of performances, including dance, music, and other creative presentations, which highlighted the enthusiasm and artistic excellence of the participants.

Each performance reflected the confidence, dedication, and expressive skills of the students, turning the programme into a lively and memorable celebration of talent.

Talents Day served as an important initiative to promote self-expression, creativity, and confidence among ITEP students. By offering a supportive stage for artistic exploration, the college reaffirmed its commitment to the holistic development of future educators within the ITEP programme.

MEET THE MINDS BEHIND PEDASCOPE

Pedascope is a visionary initiative by the Department of Education, conceptualized by HoD Dr. Naseerali M.K. and brought to life by an enthusiastic team of ITEP students. Beyond empowering students to document campus events and showcase their literary and artistic talents, the initiative focuses on upskilling students to prepare them for future publication and media-related careers. Serving as the department's new creative pulse, the editorial team also shared their exciting vision to transform Pedascope into a dynamic visual format soon.

The launching issue is helmed by Dr. Naseerali M.K. as Chief Editor, alongside Rafa Aboobacker as Staff Editor, Minha K. as Student Editor, Nida Fathima M. and Nasriya P.K. serving as Correspondent Editors, and Rushda M.N. and Minnath M.S. handling Designing & Layout,

One Day Fun

ITEP students organised a one-day educational and recreational trip to Munnar on November 28. The trip was aimed at providing students with exposure to nature, learning beyond the classroom, and opportunities for meaningful group interaction.

As part of the trip, the students visited Mattupetty Dam, Kundala Dam, Echo Point, and Shooting Point, which are among the most popular tourist destinations in Munnar. A DJ party and a campfire were also organised, adding to the enjoyment and making the journey memorable for the participants.

The programme was coordinated by Soumya Miss, with student leaders Rafeedha, Sherin, and Sankeerth taking active responsibility in organising the event.
From the Department of Education, Head of the Department Dr. Nasser Ali and Assistant Professors Soumya A.K., Suseel T.S., Rafa Aboobacker, and Haridas K.U. accompanied the students.
From the Department of English, Head of the Department Dr. V. T. Jayaram, along with College Counsellor Shibila, also took part in the trip.

BETWEEN THE LINES

ITEP student Mohana A.S. was the first presenter of Between the Lines."

Majlis Arts and Science College, Puramannur, organised the 14th edition of its regular literary initiative "Between the Lines," a book review programme conducted under the Department of Education as part of its academic enrichment activities. The programme aims to promote critical reading, reflective interpretation, and effective academic expression and has become a prominent literary forum on the campus.

The initiative was first launched on 29 October 2025 and has since been conducted every Wednesday at 8.00 p.m., drawing active participation from ITEP students, teachers, and literature enthusiasts from various departments. The 14th edition featured a series of insightful book presentations by students, engaging with diverse literary texts and perspectives.

The session witnessed presentations by Mohana A.S. on Nakshetra Jeevitham, Ameesha V. Manoj on Totto-chan: The Little Girl at the Window, Disbanth D.S. on Kadaloru Thirakkadal, Hiba Shirin E. on Njan Nadiya Murad, Sunanda P.V. on Manchu, Niranjay V.P. on Gadgya Mekhala, Haneena T.M. on Isneham, Telna Rose C.S. on Kuttyedathi, Adhitya Ganesh on Bhoomiyude Avakashikal, Minnath M.S. on Ethavum Priyappetta Ennodu, Devika R. Nair on Njan Kadalakunnu, Mithraali Muhammed on Parannuyarum Munpe, Aparna E.V. on Elanji Marathanalil, and Fidha V. on Pathummayude Aadu.

The presentations encouraged participants to move beyond basic summaries and explore deeper themes, ideas, and contemporary relevance of the texts. The programme has played a significant role in nurturing reading habits, analytical thinking, and confident academic expression among students. The organisers reiterated that "Between the Lines" will continue to be held every Wednesday at 8.00 p.m., providing a sustained platform for literary appreciation and intellectual exchange within the college community.

FOOD FEST

Principal, University representative and HOD of Education Inaugurating the function.

The ITEP Food Fest was successfully conducted at Majlis Arts and Science College (Autonomous) on 21 October 2025 (Tuesday). The event created a lively and welcoming atmosphere within the college campus and received enthusiastic participation.

All the food items at the fest were prepared and presented by ITEP students, reflecting their creativity, dedication, and teamwork. A wide variety of dishes were served, offering an enjoyable culinary experience to everyone who attended.

programme was exclusively participated in by ITEP students and teachers of Majlis Arts and Science College, making it a focused and meaningful academic gathering. The event encouraged interaction and strengthened the bond between students and teachers.

Overall, the ITEP Food Fest emerged as a well-organised and successful event, highlighting student initiative and fostering a strong sense of community within the college.

Team ITEP Leads Arts Championship Victory

The Integrated Teacher Education Programme (ITEP), Majlis Arts and Science College (Autonomous), played a decisive role in securing the arts championship title for Team Druhyu in the college arts fest. In its very first year on campus, Team ITEP, comprising 29 students, contributed 84 out of a total 168 points, accounting for half of the overall score.The achievement reflects the consistent performance of Item student across various art events and highlights their creativity, dedication, and teamwork. The impressive contribution by a newly introduced programme was widely appreciated by the college community.Faculty members congratulated the students for their remarkable success, noting that the achievement strengthened the identity of ITEP as an active and vibrant part of Majlis College (Autonomous). The victory stands as a proud milestone for the department in its inaugural year.

Workshop on Communication Skills for Future Teachers

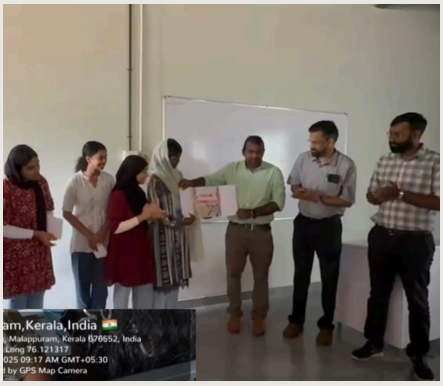

ITEP students and HoD, Naseerali with Shana Shirin P.B., Assistant Professor, PG Department of English, Majlis College.

The Department of Education, Majlis Arts and Science College (Autonomous), in collaboration with the English Club, organised a Skill Enhancing Programme (SEP) on "Communication Skills for Prospective Teachers" on 13 January 2026 at the ITEP Lecture Hall.

The session was handled by Ms. Shana Shirin P.B., Assistant Professor, PG Department of English, Majlis College, who highlighted the importance of confidence, clarity, and effective verbal and non-verbal communication in teaching. The programme concluded successfully with active participation and positive feedback from students.

ITEP English Club Organises Word-o-Mania and News Chronicles

The ITEP English Club of Majlis Arts and Science College, Puramannur, organised two academic programmes—Word-o-Mania and News Chronicles—for ITEP students.

Word-o-Mania focused on improving English vocabulary and communication skills through interactive activities like spelling, word formation,and quick-response rounds.

News Chronicles was a newspaper-based activity that enhanced students' reading, analysis, and awareness of current affairs.

Both programmes received active participation and appreciation from students and faculty, contributing to the overall language development and academic growth of ITEP students.

ITEP Students Visit VKM Special School

The Department of Education (ITEP) organised a visit to VKM Special School, Puramannur, on 16 October 2025 in connection with the Food Fest hosted by the school. The visit aimed to provide ITEP students with exposure to inclusive education practices and community engagement.

ITEP students participated in the visit along with Dr. Naseerali M.K., Head of the Department of Education, and faculty members Soumya A.K., Suseel T.S., Rafa Aboobacker, and Haridas K.U. Students interacted with the children, observed the Food Fest stalls, and appreciated the creativity of the learners and staff.

The visit offered valuable insights into special education settings and helped students develop empathy and professional responsibility. The Department expressed gratitude to VKM Special School for their warm hospitality and support.

ITEP Contributes Wheelchairs to "Sneha Sparsham" Initiative

The Department of Education (ITEP), Majlis Arts and Science College (Autonomous), actively supported the NSS initiative "Sneha Sparsham" by contributing three wheelchairs to needy individuals and institutions associated with the college.

Students and staff collectively mobilized funds for one wheelchair, while Ms. Rushda and Dr. Naseerali M.K., Head of the Department, contributed one wheelchair each. The total fund was handed over to the NSS Unit through the College Director, Mr. Noushad N., and received by NSS Programme Officer, Mr. Sunesh P., who appreciated the effort and noted it as the highest contribution by a single class under the initiative.

Dr. Naseerali M.K. highlighted that despite being a newly introduced programme with fewer students, the participation of ITEP students and staff reflects strong empathy and social responsibility. The contribution serves as a meaningful example of community engagement and compassion.

From Chalk to Clicks

The Department of Education, Majlis Arts and Science College (Autonomous), organised a Faculty Development Programme titled "From Chalk to Clicks" for faculty and students to introduce technology-enabled teaching.

Mr. Mohamed Jabir, Assistant Professor, Department of Computer Science, demonstrated the use of Interactive Panels and educational software to enhance classroom learning. Dr. Naseerali M.K., Head of the Department, presented a certificate of appreciation, and the programme concluded with a vote of thanks by Ameesha V. Manoj.

The session provided practical insights into digital teaching methods, helping participants develop skills to engage students effectively and make learning more interactive and impactful.

Anti-Narcotics Legal Awareness Programme

Anchor,Ameesha V. Manoj welcoming the participants.

The Department of Education, Majlis Arts and Science College, Puramannur, organised an Anti-Narcotics Drugs Legal Awareness Programme on 12 January 2026 in connection with Youth Day. The programme was conducted under the aegis of NALSA and the District Legal Services Authority, Manjeri, to create awareness among students about the harmful effects of narcotic drugs and related legal consequences.

The session was led by Advocate Jaseel C., who highlighted laws, penalties, and the role of youth in preventing drug abuse. Dr. Naseerali M.K., Head of the Department of Education, and Dr. V.T. Jayaram, Head of the Department of English, addressed the gathering. The programme concluded successfully with active student participation and positive feedback.

Majlis College Participates in Mini-DISHA 2K25 Expo

Majlis college faculties with certificates

The Department of Education, Majlis Arts and Science College (Autonomous), participated in the Mini-DISHA 2K25 Higher Education Expo held at DHO HSS, Pookarathara, on 30 and 31 October 2025, organised by the Department of Higher Secondary Education, Government of Kerala.

A team led by Dr. Naseerali M.K., ead of the Department, along with faculty members, staff, and students, set up an informative stall highlighting the Integrated Teacher Education Programme (ITEP) and other academic programmes of the college. The team guided higher secondary students on admission procedures, curriculum, and career prospects. The participation helped students make informed educational choices and enhanced the outreach of Majlis College.

Workshop on Video Editing Organised

Education department head Dr. Naseerali awarding certificates to Kamil Mubarak and Muhammad Thanif.

The Department of Education (ITEP), Majlis Arts and Science College (Autonomous), organised a Workshop on Video Editing under the Technological Empowerment Training Program (TETP) on 20 January 2025. The programme aimed to enhance the digital and media skills of ITEP students.

The session was handled by Mr. Kamil Mubaraq and Mr. Muhammad Thanif, students of B.A. Visual Communications, who demonstrated practical video editing techniques using live examples. Dr. Naseerali M.K., Head of the Department, addressed the gathering and distributed certificates to the resource persons. The workshop concluded successfully with active participation and positive feedback from students.

PRABHAT VEDHI

The Prabhat Vedhi, the morning assembly programme of Majlis Arts and Science College (Autonomous), marked a significant milestone with the successful completion of its 50th episode on Tuesday, January 28, 2026. Conducted regularly under the guidance of faculty members, Prabhat Vedhi has become an integral part of the institution's academic routine, fostering discipline, leadership, creativity, and intellectual growth among students.

The programme is uniquely organised through a four-group system, namely Roots, Wings, Flames, and Zenith, with each group taking turns to conduct the assembly. This rotational structure ensures equal participation and responsibility among students while nurturing teamwork and organisational skills. Over the course of fifty episodesprovided students with a platform to develop communication skills, stage confidence, and awareness of contemporary issues.

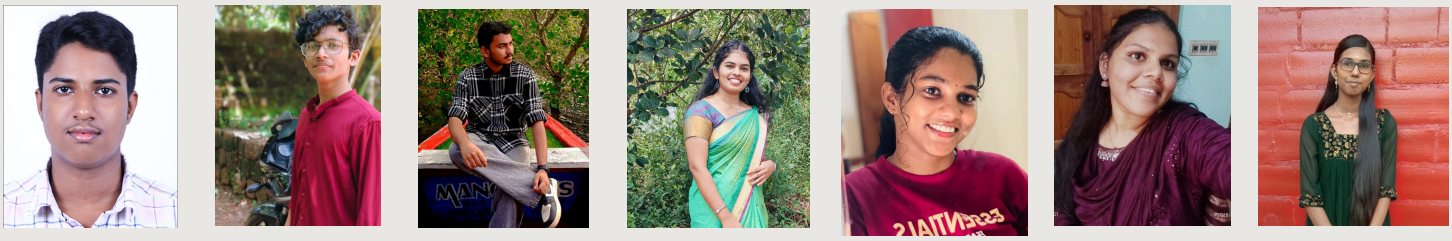

The 50th episode was presented by the Zenith Group, maintaining the high standards and spirit that Prabhat Vedhi represents. The session included a series of thoughtfully curated segments such as prayer, pledge, theme-based presentation, special feature of the day, GK question, word of the day, and news highlights. Each segment was designed to inspire values, encourage critical thinking, and promote active student engagement. The programme reflected the collective effort and dedication of students who have consistently contributed to its success since its inception.The completion of fifty episodes of Prabhat Vedhi stands as a testament to the institution's commitment to holistic education. Faculty members appreciated the students for their enthusiasm, discipline, and creativity, noting that the programme has played a vital role in shaping confident, informed, and socially responsible individuals. The milestone episode not only celebrated the journey of Prabhat Vedhi but also reinforced its importance as a meaningful initiative that blends knowledge, values, and student leadership within the academic environment. Over the years, the programme has emerged as an effective platform for nurturing communication skills, critical thinking, and teamwork among students. The consistent success of Prabhat Vedhi reflects the collective efforts of students and teachers in creating a vibrant and purposeful academic culture.

Christmas Celebration

The Department of Education, Majlis Arts and Science College (Autonomous), celebrated Christmas in a pleasant and meaningful manner on 23 December 2025 with the active participation of students and faculty members.The programme included the exchange of gifts, distribution of sweets, and an engaging treasure hunt, which created enthusiasm and excitement among the students. Various fun activities and informal interactions helped strengthen friendship and team spirit within the department.The celebration promoted values of sharing, joy, and togetherness, reflecting the true spirit of Christmas. The event concluded on a cheerful note, leaving memorable moments for all participants.
